

Items required by the Hillsborough Zoning Department:

- Zoning application cover sheet:
  - For the improvement, check other municipal and state EV charging station(s).
- Narrative:
  - Supply a short narrative for the proposed work (Example: We plan to install three Electric Vehicle (EV) charging stations (indicate size/wattage/volts) in the parking lot at Block xx and L xxx for the use for employees and customers).
  - Signage - if signs are going to be utilized to identify these areas, they should be mentioned too.
- Plan:
  - Provide a plan or survey identifying the location spaces being utilized for the charging stations.
- Application fee:
  - \$25 fee

Items required by the building department:
